

## ScholarHomes

**Student:** Ryan Shannon & Jomi Kafi, Enterprise Computing

**Supervisor:** Professor Mark Humphrys

## Making Your Student Accommodation Journey a Little Easier

### TO USE THE APP, SIMPLY

- 1 Use your email address to register your profile
- 2 Create a listing, or apply if you are seeking accommodation
- 3 Interact with other students until you find a match
- 4 Finalize your lease using the App

### WHAT DO WE DO?

We hope to remedy the ongoing student accommodation crisis by allowing students to find and rent accommodation together
